

# Confidentiality Statement

## 1.0 Introduction

Hockey Eastern Ontario and Hockey Eastern Ontario Minor are committed to providing a safe, respectful, inclusive, and equitable environment for all players, staff, volunteers, and parent/guardians.

This confidentiality statement is written in accordance with Ontario's *Human Rights Code* (1990), which prohibits the discrimination of all people on a number of protected grounds: race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, sex, sexual orientation, gender identity, gender expression, age, marital status, family status, and disability.

## 2.0 Definitions

In this statement document:

**Sex/Assigned Sex:** The classification of a person as male, female or intersex based on biological characteristics, including chromosomes, hormones, external genitalia and reproductive organs. Most often, sex is assigned by a medical professional at birth and is based on a visual assessment of external genitalia.

**Gender:** A system that operates in a social context to classify people, often based on their assigned sex. In many contexts this takes the form of a binary classification of either 'man' or 'woman'; in other contexts, this includes a broader spectrum.

**Gender Identity:** A person's deeply felt internal and individual experience of being a man, woman, or another gender entirely. A person's gender may or may not correspond with the sex assigned at birth. Since gender identity is internal, one's gender identity is not necessarily visible to others.

**Gender Expression:** The way a person presents and communicates gender within a social context. Gender can be expressed through clothing, speech, body language, hairstyle, voice, and/or the emphasis or de-emphasis of bodily characteristics or behaviours, which are often associated with masculinity and femininity. The ways in which gender is expressed are culturally specific and may change over time. May also be referred to as gender presentation or gender performance.

**Gender Diverse (*adj*):** An umbrella term for gender identities and/or gender expressions that differ from cultural or societal expectations based on assigned sex.

**Transgender (*adj*):** A person who does not identify either fully or in part with the gender associated with the sex assigned to them at birth—often used as an umbrella term to represent a wide range of gender identities and expressions.

**Transition:** Refers to a variety of social, medical and/or legal changes that some trans people may pursue to affirm their gender identity. There is no checklist or average time for a transition process and no universal goal or end point. Each person decides what meets their needs.

**Branch:** not-for-profit Ontario corporation incorporated under The Corporations Act, R.S.O. 1990 c.38 that has responsibility to administer hockey within a defined portion of the Province of Ontario.

**Minor Hockey Association:** [self defined by each MHA to include all staff, volunteers, and parents/guardians]

**Player(s)** refers to any individual who is registered as a participant with a hockey team.

**Private Information** refers to the personal information about an identifiable individual that may or may not be a Protected Ground and/or recorded on documentation.

They, them, their and themselves are used as third person, singular, gender neutral pronouns.
